

## **The Art Camp: Activity List: Winter Camp**

**Week 1: Mini Camp: Dec 18- 22 (page 1)**

**Week 2 : Dec 26- 29 (page 2)**

**Week 3: Jan 2- 6 (page 3)**

### **WEEK ONE: GROUP 1**

#### **Winter Camp: Movement & Play!**

In this workshop we will... HAVE FUN! We will dance, tumble, play games and free play! Our youngest campers are sure to enjoy high energy warm ups, participate in organized games and relays in a nurturing environment where kids will build self confidence and enhance their coordination! We will even do a little bit of yoga, theater activities, puppets, LEGOs, Magnatiles, puzzles and more! IT'S GOING TO BE SO FUN!

#### **Skyler's Science & STEM Lab**

Ever wanted to just create and build and set your imagination free? With makerspace goals like... "build a mini waterslide out of paper cups, tape and straws" or "create a catapult out of popsicle sticks" or "create a soccer field using a shoe box" you are sure to have fun and be super duper creative! We will also incorporate science experiments that are sure to blow your minds!

#### **Once Upon a Time Crafts**

In this exciting and creative workshop, we will make arts and crafts projects based on children's books and characters. Each day we will read one popular children's books like *The Rainbow Fish*, *Dragons Love Tacos*, or *Where the Wild Things Are*! We will combine vibrant colors, materials and techniques to create incredible one of a kind arts and craft pieces that connect to the story!

#### **Junior Chefs**

In this cooking workshop, we will make delicious foods with a winter theme! We will also learn a variety of culinary techniques and get to use all kinds of top kitchen equipment! We will make breakfast, lunch, dinner and dessert items! You will learn a new recipe or two every single day!

### **WEEK ONE: GROUP 2**

#### **Winter Camp Artists**

In this workshop campers will draw inspiration from WINTER and create beautiful and unique fine art projects! Campers will be mixing media such as pastels, acrylics, watercolors, markers, and more. We will focus on all kinds of fine art from sculpture to canvas painting.

#### **Dessert Decorating**

Campers will roll up their sleeves and decorate delicious desserts! We will decorate cookies, cupcakes and pastries! We will also do dessert themed art projects too!

#### **Skyler's Science & Stem Lab**

Ever wanted to just create and build and set your imagination free? With makerspace goals like... "build a mini waterslide out of paper cups, tape and straws" or "create a catapult out of popsicle sticks" or "create a soccer field using a shoe box" you are sure to have fun and be super duper creative! We will also incorporate science experiments that are sure to blow your minds!

**Creation Station:**

Jump on board the Craft Train at CREATION STATION! Shrinky Dinks, lanyards, slime making, friendship bracelets, pearler beads, tie-dye and more! Let's get creative and have fun with crafts!

**WEEK TWO: GROUP 1 AND GROUP 2****Storytime Art**

In this exciting and creative workshop, we will make arts and crafts projects based on children's books and characters. Each day we will read one popular children's story book like *The Day the Crayons Quit*, *The Very Hungry Caterpillar* and *Peter Pan*! We will combine vibrant colors, materials and techniques to create incredible one of a kind arts and craft pieces that connect to the story!

**Winter Camp: Games & Fun!**

In this workshop we will... HAVE FUN! Our youngest campers will enjoy doing what they do best... PLAY! We will utilize our outside playground and play tons of organized games (relay races, parachutes, obstacle courses) as well as play indoors too! With puzzles, building games, creative crafts, toys and more! IT'S GOING TO BE SO FUN!

**Frozen Science**

In this fun filled workshop, campers will get to conduct a variety of Winter themed science experiments! DIY Snow! Ice Volcanoes! Fizzing Candy Canes! Snowman Slime and more!

**Lego Party**

Campers will engineer & build with LEGOs and other building kits like Magna Tiles and K'nex! We will also do lots of Lego inspired arts and crafts projects too!

**WEEK TWO: GROUP 3 and GROUP 4****Super Science**

Get ready for a SUPER SCIENCE adventure you won't forget! In this fun filled workshop campers will conduct experiments and test hypotheses to figure out science mysteries! Explosions, slime, magnets, rockets and more! We will even use science to make our own ICE CREAM!

**Winter Camp Chefs**

Art Camp is crazy about cooking! We will work on advanced techniques and use professional tools to create delicious foods. Everyday campers will learn a new recipe or two! Sweet and savory foods! We will make sure to make our own recipe books so that campers can recreate these amazing recipes at home.

**Paper Crafts**

Combining scrapbooking with crafts makes this workshop unique and fun! Creativity has no limit as we create photo frames, collages, cards, canvas art and more!

**New Years Eve pARTy**

We will create amazing one-of-a-kind art pieces inspired by 2024!!! Campers will be mixing media such as watercolors, pastels, acrylics, markers, collage, and more. We will do some fine art pieces and some creative crafts too!

## WEEK THREE: GROUP 1 AND GROUP 2

### Dynamic Dinosaurs

In this DYNAMIC workshop, we will explore the Dinosaur Era through project-based crafts and exciting hands on activities. We will dig for fossils, create Dinosaur clay tracks, make Dinosaur crafts, and more!

### Kids Club

In this workshop, kids will get to do what kids do best... PLAY! We will incorporate organized games, sports, relays, tumbling and pretend play! Our youngest campers are sure to enjoy high energy warm ups, silly camp games, pretend play and fun group challenges!

### Winter Arts and Crafts

This workshop will allow campers to express their creativity through drawing, painting and creating! We will work on both fine art techniques and fun camp crafts! Everything from painting with watercolors to DIY snowmen! If YOU are a young Artist, this is the workshop for you!

### Junior Chefs

In this cooking workshop, we will make delicious foods from all around the globe. We will also learn a variety of culinary techniques and get to use all kinds of top kitchen equipment! We will make breakfast, lunch, dinner and dessert items! You will learn a new recipe or two every single day!

## WEEK THREE: GROUP 1 AND GROUP 2

### Winter Art Studio

This workshop will allow campers to express their creativity through drawing, painting and creating! We will work on both fine art techniques and fun camp crafts... all inspired by WINTER! If YOU are an Artist, this is the workshop for you!

### Chef Shantai's Kitchen

Art Camp is crazy about Chef Shantai's cooking! Learn how to master some of Chef Shantai's absolute favorite (and secret) recipes! We will work on advanced techniques and use professional tools to create delicious foods. Everyday campers will learn a new recipe or two! Sweet and savory foods!

### Winter Party Camp

This workshop is for all the campers who love to PARTY! We will smash together games, projects, relays, puzzles, pranks and more in this crazy awesome workshop. Group challenges, organized games, free play and more! #whowantstopARTywithus #everybodydoes

### Sculpture & 3D Crafts

Explore your creativity and develop mad art skills in this exciting fine art workshop! Mixing media such as drawing, painting, fibers, clay, sculpture, and printmaking you'll create original and awesome works of art!
