Week 1 Activity List: (June 19-23)	2
Week 2 Activity List: (June 26-30)	4
Week 3 Activity List: (July 3-7)	6
Week 4 Activity List: (July 10-14)	9
Week 5 Activity List: (July 17- July 21)	11
Week 6 Activity List: (July 24- July 28)	14
Week 7 Activity List: (July 31- August 4)	17
Week 8 Activity List: (August 7- August 11)	19

Week 1 Activity List: (June 19-23)

ART CAMP 101: GROUPS 1-4

Lego Mania:

Campers will engineer & build with LEGOs and other building kits like Magna Tiles and K'nex! We will also do lots of Lego inspired arts and crafts projects too!

Reptacular Animals:

In this unique “buddy block” class, campers from 2 groups will join together and learn about (and handle) live animals. Jen Laguasker, the owner of Reptacular Animals Ranch has over 500 animals, and she will bring different ones to camp each day! Everything from Alpacas to Bunnies!

Music Meets Art:

In this exciting and creative workshop, we will make arts and crafts projects based on songs! Each day we will learn a fun song (everything from Disney to Pop to Broadway and then do an art project inspired by that style of music! We will even make our own crafty musical instruments!

Super Duper Science:

We will combine Chemistry, Earth Science, Physics, Ocean Science and Astronomy! Campers are sure to enjoy conducting cool experiments in a super duper fun way!

JUNIOR CAMP: GROUPS 5-8

Lego Mania:

Campers will engineer & build with LEGOs and other building kits like Magna Tiles and K'nex! We will also do lots of Lego inspired arts and crafts projects too!

Reptacular Animals:

In this unique “buddy block” class, campers from 2 groups will join together and learn about (and handle) live animals. Jen Laguasker, the owner of Reptacular Animals Ranch has over 500 animals, and she will bring different ones to camp each day! Everything from Alpacas to Bunnies!

Draw Paint & Create:

The name says it all... in this workshop we will draw, paint and create like the masters! We will use all kinds of art media like acrylics, pastels, markers, clay, beads and more. We will make fine art projects and crafty items too!

Super Duper Science:

We will combine Chemistry, Earth Science, Physics, Ocean Science and Astronomy! Campers are sure to enjoy conducting cool experiments in a super duper fun way!

UPPER CAMP GROUPS 9-12:

Maqic Illusions:

Come learn the wonders of magic as we know them today! Close up magic! Mind reading! Card Tricks! Campers will get to see incredible magic performed by our dazzling teacher Bruce... and they will learn tricks too!

Art Explosion:

In this arts & crafts workshop, campers will be mixing media such as watercolors, pastels, acrylics, markers, and more to create amazing one-of-a-kind art pieces.

Camp Spirit & Challenges:

Campers will play all kinds of CRAZY and exciting camp games! With a focus on team building and cooperation, campers will create new experiences with new friends! Get ready to dive in and have a blast as you create, play and compete in interactive games & challenges like never before! Relays! Obstacle Courses! Challenges! Improv! READY, SET, GO!!!

Crazy Delicious:

Campers will cook and create CRAZY DELICIOUS snacks! We will make sure to inspire young chefs with awesome recipes (sweet and savory)! You will also learn culinary techniques and use restaurant quality equipment daily! Everything from pizza to smoothies... it's time to get crazy with cooking!!!!

UPPER CAMP GROUPS 13-17**Candy Crafts**

In this SWEET workshop, we will make candy crafts, do candy science and even make our own delicious candy to eat! YUM! Campers will have a blast making gingerbread houses, candy photo frames, candy necklaces and more! On the last day, we will have a candy filled party and eat some of our sweet treats!

Reptacular Animals:

In this unique "buddy block" class, campers from 2 groups will join together and learn about (and handle) live animals. Jen Laguasker, the owner of Reptacular Animals Ranch has over 500 animals, and she will bring different ones to camp each day! Everything from Alpacas to Bunnies!

Watercolor Artists:

This fine art workshop will focus on the brilliant quality of watercolors! We will learn how to use a palette, mix beautiful colors, and how to use a brush to create different brushstroke techniques. We will also learn about composition, light and form, tonal painting, and negative space. We will use watercolor paint cakes, liquid watercolors and watercolor pens too!

Makerspace: Think Lab

Ever wanted to just create and build and set your imagination free? Well, get ready to explore a world of Science, Architecture, Problem Solving, Teamwork and more! With challenges like... "build a mini waterslide out of paper cups, tape and straws" or "create a catapult out of popsicle sticks" or "create a soccer field using a shoe box" you are sure to have fun and be super duper creative!

TEEN CAMP: GROUP 18**Teen Camp Artists:**

Explore your creativity and develop mad art skills in this exciting fine art workshop! Mixing media such as drawing, painting, fibers, clay, sculpture, and printmaking you'll create original and awesome works of art!

Chem Lab:

We will do awesome "advanced" science with our oldest campers. Let's grow crystals, make rock candy and DIY bouncy balls! Let's melt wax & resin to make cool projects!

Classic Camp Crafts:

This "throwback" class will let your kids dive Shrinky Dinks, lanyards, slime making, friendship bracelets, pearler beads, tie-dye, decorative rain sticks, and more! We will make all the "classic" summer camp crafts!

Reptacular Animals:

In this unique "buddy block" class, campers from 2 groups will join together and learn about (and handle) live animals. Jen Laguasker, the owner of Reptacular Animals Ranch has over 500 animals, and she will bring different ones to camp each day! Everything from Alpacas to Bunnies!

Week 2 Activity List: (June 26-30)

ART CAMP 101: GROUPS 1- 4

Let's Play:

In this workshop, kids will get to do what kids do best... PLAY! We will incorporate organized games, sports, relays, tumbling and pretend play! Scavenger Hunts! Dance Challenges! Silly Camp Games! We will even beat the heat with WATER PLAY on extra warm days! We will utilize our amazing outdoor space at camp and play on our fields, basketball courts and jungle gyms.

Storybook Crafts:

In this exciting and creative workshop, we will make arts and crafts projects based on children's books and characters. Each day we will read one popular children's books like *The Rainbow Fish*, *Dragons Love Tacos*, or *Where the Wild Things Are*! We will combine vibrant colors, materials and techniques to create incredible one of a kind arts and craft pieces that connect to the story!

Out of This World Science:

On this galaxy inspired adventure, we will make crafty creations based on the sun, stars, planets, rockets and more! We will also conduct some cool outer space science experiments!

Disney Mania:

This exciting workshop will showcase Disney! We will sing and dance to our favorite songs and watch small clips of Disney movies to inspire us! We will then make cool projects based on the different characters and shows! Peter Pan Shadow puppets! 101 Dalmation Dog Tags! Mickey Ears! Finding Nemo aquariums!

JUNIOR CAMP: GROUPS 5-8

Camp Spirit & Challenges:

Campers will play all kinds of CRAZY and exciting camp games! With a focus on team building and cooperation, campers will create new experiences with new friends! Get ready to dive in and have a blast as you create, play and compete in interactive games & challenges like never before! Relays! Obstacle Courses! Challenges! Improv! READY, SET, GO!!!

Candy Crafts:

In this SWEET workshop, we will make candy crafts, do candy science and even make our own delicious candy to eat! YUM! Campers will have a blast making gingerbread houses, candy photo frames, candy necklaces and more! On the last day, we will have a candy filled party and eat some of our sweet treats!

Junior Chefs:

In this cooking workshop, we will make delicious foods from all around the globe. We will also learn a variety of culinary techniques and get to use all kinds of top kitchen equipment! We will make breakfast, lunch, dinner and dessert items! You will learn a new recipe or two every single day!

Science Rocks:

In this fun filled workshop, campers will get the chance to combine Chemistry, Earth Science, Physics and more! We will also conduct cool experiments and even create explosions! We might even create our own slime recipes! It's gonna ROCK!

UPPER CAMP: GROUPS 9- 12

Please note- Groups 9 & 10 will do Coding.

Groups 11 & 12 will do Video Gamers.

All Groups (9-12) will do Candyland Adventure, Messy Fun and Watercolors.

Candyland Adventure:

Welcome to Art Camp's very own CANDYLAND!!!! In this GAMES & CHALLENGES workshop, we will play a giant sized version of every kid's favorite board game! We will do candy crafts, candy science and use candy for silly group challenges! On the last day (if we "win" the game), we will have a candy-filled party and eat some sweet treats!

Messy Fun:

This workshop will focus on homemade "messy recipes" like moon sand, ice cream in a bag, scented paint, bubbles, sidewalk chalk, flubber, slime and more! You will learn all about chemistry through this ooey and gooey sensory workshop!

Watercolors:

This fine art workshop will focus on the brilliant quality of watercolors! We will learn how to use a palette, mix beautiful colors, and how to use a brush to create different brushstroke techniques. We will also learn about composition, light and form, tonal painting, and negative space. We will use watercolor paint cakes, liquid watercolors and watercolor pens too!

***Tech Kidz: Coding (GROUPS 9 & 10 only):**

Create your own animations, programs and games with MIT's Scratch, Python, Box Island and more! Computer programming helps with brain development, math skills, logic, and it's tons of fun!

***Tech Kidz: Video Gamers (GROUPS 11 & 12 only):**

Campers will learn how to design and modify their own exciting arcade style video games using Scratch, Hopscotch, Code.org and more! They will learn how to control characters, objects, and outcomes in their games as they increase the difficulty level and add more features.

UPPER CAMP: GROUPS 13-17

Candyland Adventure:

Welcome to Art Camp's very own CANDYLAND!!!! In this GAMES & CHALLENGES workshop, we will play a giant sized version of every kid's favorite board game! We will do candy crafts, candy science and use candy for silly group challenges! On the last day (if we "win" the game), we will have a candy-filled party and eat some sweet treats!

Creative Sculpture:

Did you know that you could sculpt with all kinds of materials, not just clay?!! Creative Sculpture uses the principles of sculpture and relief, and then allows the campers to explore molding and sculpting with various media, such as aluminum, wood, paper, sculpey, model magic and wire. Campers will learn how to make figurines, animals, picture frames, amulets, and all kinds of miniatures!

Birthday p-ART-y Crafts:

In this fun filled crafting workshop, campers will make one of a kind paper crafts! They will create a unique set of personalized birthday cards that they can give to friends or family members! We will mix media and have fun using paint, sharpies, pastels, stickers and decorative items too.

Super Duper Science:

We will combine Chemistry, Earth Science, Physics, Ocean Science and Astronomy! Campers are sure to enjoy conducting cool experiments in a super duper fun way!

TEEN CAMP: GROUP 18

Music Meets Art:

In this exciting and creative workshop, we will make arts and crafts projects based on songs. Each day we will explore a different genre of music (everything from Rock to Classical to Pop to Oldies). We will then make unique projects inspired by vocals, lyrics and instruments. We will even create our own DIY album covers that you can display in your room at home!

Master Chefs:

Campers will cook and create delicious treats! We will make sure to inspire our teen camp master chefs with awesome recipes (sweet and savory)! They will also learn culinary techniques and use restaurant quality equipment daily! Everything from pizza to smoothies to cookies!

Candy Crafts:

In this SWEET workshop, we will make candy crafts, do candy science and even make our own delicious candy to eat! YUM! Campers will have a blast making gingerbread houses, candy photo frames, candy necklaces and more! On the last day, we will have a candy filled party and eat some of our sweet treats!

Teen Camp Champs!

Teen campers will play all kinds of CRAZY and exciting camp games! With a focus on team building and cooperation, campers will create new experiences with new friends! Get ready to dive in and have a blast as you create, play and compete in interactive games & challenges like never before! Relays! Obstacle Courses! Challenges! Improv! READY, SET, GO!!!

Week 3 Activity List: (July 3-7)

ART CAMP 101: GROUPS 1- 4

Let's Play:

In this workshop, kids will get to do what kids do best... PLAY! We will incorporate organized games, sports, relays, tumbling and pretend play! Scavenger Hunts! Dance Challenges! Silly Camp Games! We will even beat the heat with WATER PLAY on extra warm days! We will utilize our amazing outdoor space at camp and play on our fields, basketball courts and jungle gyms.

Fairy Tale Crafts:

In this exciting and creative workshop, we will make arts and crafts projects based on classic fairy tales. Each day we will read a story like *Jack and The Beanstalk*, *Goldilocks and the 3 Bears*, *The Gingerbread Man* or *The 3 Little Pigs*! We will even make puppets and act some of these stories out!

Critter Squad:

Critter Squad Wildlife Defenders are on a mission to bring the joy of wildlife to The Art Camp with hands-on experiences! Everyday campers will meet and learn about a new live animal (everything from lizards to bunnies to pigs and more)! We will also do animal inspired crafts, activities and games. With both an indoor and outdoor classroom space, campers are sure to love everything about Critter Squad!

Silly Science:

Let's go on a silly science adventure with colorful explosions, magnetic mysteries, and optical illusions. We will make sure to explore bubbles and other silly tactile mediums like playdoh, slime and fake snow!

JUNIOR CAMP: GROUPS 5-8**Camp Challenges:**

Get ready to dive in and have a blast as you create, play and compete in interactive games & challenges like never before! Our Junior campers will have fun while participating in both individual challenges (like making marshmallow toothpick towers) and team challenges (Egg Drop)!

Junior Chefs:

In this cooking workshop, we will make delicious foods from all around the globe. We will also learn a variety of culinary techniques and get to use all kinds of top kitchen equipment! We will make breakfast, lunch, dinner and dessert items! You will learn a new recipe or two every single day!

Art Camp Loves Art:

Campers will create beautiful and unique arts and crafts projects! Campers will be mixing media such as pastels, acrylics, beads, watercolors, markers, and more. We will also have fun making classic summer camp crafts like shrinky dinks and sidewalk chalk!

Out of This World:

On this galaxy inspired adventure, we will make crafty creations based on the sun, stars, planets, rockets and more! We will also conduct some cool outer space science experiments!

UPPER CAMP: GROUPS 9-12**Art Camp Fashionistas:**

Calling all fashionistas!! In this workshop you will create fashion through art. Campers will begin by learning the basics of figure drawing and proportion. Using a variety of media such as markers, watercolors and printmaking, you will design a fabulous fashion magazine!

Jewelry Making:

Make your own jewelry in a hands-on introduction to this exciting and creative art form. Campers will be designing and creating jewelry using various materials including wire, feathers, shrinky dinks, crystals, beads, and much more!

Critter Squad:

Critter Squad Wildlife Defenders are on a mission to bring the joy of wildlife to The Art Camp with hands-on experiences! Everyday campers will meet and learn about a new live animal (everything from lizards to bunnies to pigs and more)! We will also do animal inspired crafts, activities and games. With both an indoor and outdoor classroom space, campers are sure to love everything about Critter Squad!

Hey, Hey! It's Chef Shantai!

Art Camp is crazy about Chef Shantai's cooking! Learn how to master some of Chef Shantai's absolute favorite (and secret) recipes! We will work on advanced techniques and use professional tools to create delicious foods. Everyday campers will learn a new recipe or two! Sweet and savory foods!

UPPER CAMP: GROUPS 13-16

Please note- Groups 13 & 14 will do Chem Kidz.

Groups 15 & 16 will do Secret Agent Spies.

All Groups (13-16 will do Games, Games, Games and Critter Squad Animals)

Games, Games, Games:

Campers are sure to have a blast as they play all kinds of CRAZY camp games! With a focus on team building and cooperation, campers will create new experiences with new friends! Get ready to dive in and have a blast as you create, play and compete in interactive scavenger hunts, puzzles, games & challenges like never before! Relays! Obstacle Courses! Challenges! READY, SET, GO!!!

Critter Squad:

Critter Squad Wildlife Defenders are on a mission to bring the joy of wildlife to The Art Camp with hands-on experiences! Everyday campers will meet and learn about a new live animal (everything from lizards to bunnies to pigs and more)! We will also do animal inspired crafts, activities and games. With both an indoor and outdoor classroom space, campers are sure to love everything about Critter Squad!

***Tech Kidz: Chem Kidz (GROUPS 13 & 14 only):**

Chemistry is amazing! Conduct physical and chemical experiments and learn what makes them work. Elephant Toothpaste! Grow Crystals! Chemical Reactions and more!

***Tech Kidz: Secret Agent Spies (GROUPS 15 & 16 only):**

Take fingerprints, decode secret messages, search for clues and go on scavenger hunts! Use your "detective tool kit" to explore the fascinating world of solving mysteries!

TEEN CAMP: GROUP 18

Studio Art:

Explore your creativity and develop mad art skills in this exciting fine art workshop! Mixing media such as drawing, painting, fibers, clay, sculpture, and printmaking you'll create original and awesome works of art!

Chef Academy:

Art Camp is crazy about cooking! We will work on advanced techniques and use professional tools to create delicious foods. Everyday campers will learn a new recipe or two! Sweet and savory foods! We will make sure to make our own recipe books so that campers can recreate these amazing recipes at home.

Messy Fun

This workshop will focus on homemade "messy recipes" like moon sand, ice cream in a bag, scented paint, bubbles, sidewalk chalk, flubber, slime and more! You will learn all about chemistry through this ooey and gooey sensory workshop!

Tie Dye Mania

Using a variety of media such as markers, watercolors and clothing dye we will swirl and dip dye anything and everything! Using all different techniques, each camper will create a tie dye effect on canvas, clothing, shrinky dink paper and more! It's going to be a color explosion!!!!

Week 4 Activity List: (July 10-14)

ART CAMP 101: GROUPS 1-4

Let's Play:

In this workshop, kids will get to do what kids do best... PLAY! We will incorporate organized games, sports, relays, tumbling and pretend play! Scavenger Hunts! Dance Challenges! Silly Camp Games! We will even beat the heat with WATER PLAY on extra warm days! We will utilize our amazing outdoor space at camp and play on our fields, basketball courts and jungle gyms.

Dynamic Dinosaurs:

In this DYNAMIC workshop, we will explore the Dinosaur Era through project-based crafts and exciting hands-on activities. We will dig for fossils, create Dinosaur clay tracks, make Dinosaur crafts, and even go on a Dinosaur Egg scavenger hunt!

Yummy Treats

The name says it all! Campers will cook and create yummy treats! We will make sure to inspire young chefs with awesome recipes (sweet and savory)! Everything from pizza to cookies to smoothies!

Music Meets Art

In this exciting and creative workshop, we will make arts and crafts projects based on songs! Each day we will learn a fun song (everything from Disney to Pop to Broadway and then do an art project inspired by that style of music! We will even make our own crafty musical instruments!

JUNIOR CAMP: GROUPS 5-8

Cooking Camp:

Art Camp is crazy about cooking! Everyday campers will learn a new recipe, we will make awesome sweet and savory foods! We will also blend cooking with arts and crafts! Decorate

aprons! Create candy crafts! Make mini foods with clay! So much fun!

Get ready for a MAD SCIENCE adventure you won't forget! In this fun filled workshop campers will conduct experiments and test hypothesis to figure out science mysteries! Explosions, slime, magnets, rockets and more! We will even use science to make our own ICE CREAM!!

UPPER CAMP: GROUPS 13-16

*Please note- Groups 11 & 12 will do Advanced Art for 2 of their 4 activities.
Groups 13 & 14 will do Musical Theater (The Wiz of Oz) for 2 of their 4 activities.
All groups (13-16) will do Chopped and Upper Camp Champs.*

Chopped:

Just like the popular TV show, campers will cook variety of appetizers, entrees and dessert meals! At the end of the session, we will host a "competition round" and campers will be

judged on taste, presentation and creativity! This awesome cooking class will combine culinary techniques and team building! Who will win? And, who will be chopped?

Upper Camp Champs!

Campers are sure to have a blast as they compete to see which group has the ultimate upper camp CHAMPS! With a focus on team building and cooperation, campers will create new experiences with new friends! Get ready to dive in and have a blast as you create, play and compete in interactive scavenger hunts, puzzles, games & challenges like never before! Relays! Obstacle Courses! Challenges! READY, SET, GO!!!

***Advanced Art (Groups 11 & 12 only): double workshop!**

In this workshop campers will create beautiful and unique arts and crafts projects! Campers will be mixing media such as pastels, acrylics, beads, watercolors, markers, and more. Because this is a double workshop, campers will have a lot of time to make amazing pieces! We will focus on both fine art (drawing, painting and more) and sculpture (clay, sculpey, model magic).

***Musical Theater Showcase: Wiz of Oz: (Groups 13 & 14 only): double workshop!**

Emerald City... here we come! With no speaking lines, we will focus on the best part of musicals: the songs! We will form our own "chorus ensemble" and sing and dance to a mashup of The Wizard of Oz, The Wiz and Wicked! Campers will get the opportunity to perform for their families at the end of the week! Because this is a double workshop, campers will have extra time to rehearse for their show!

TEEN CAMP: GROUP 18

Teen Camp Craft p-ART-y

This workshop is for serious craft lovers! We will use many mediums and varied materials to make dazzling projects! From painted canvas projects to mosaics to clay sculpting, this class will deliver projects that you will love to show off for years to come!

Master Chefs:

Art Camp is crazy about cooking! We will work on advanced techniques and use professional tools to create delicious foods. Everyday campers will learn a new recipe or two! Sweet and savory foods! We will make sure to make our own recipe books so that campers can recreate these amazing recipes at home.

Makerspace: Genius Hour

Get ready to explore a world of Science, Architecture, Engineering and more! With crazy challenges like... "create a catapult out of paper cups and tape and launch a water balloon at your counselor", you are sure to think outside of the box... and have so much fun! Campers will create their own crafts, games and projects using recycled materials and ingenuity!

Critter Squad: Animal Adventure

Critter Squad Wildlife Defenders are on a mission to bring the joy of wildlife to The Art Camp with hands-on experiences! Everyday campers will meet and learn about a new live animal (everything from lizards to bunnies to pigs and more)! We will also do animal inspired crafts, activities and games. With both an indoor and outdoor classroom space, campers are sure to love everything about Critter Squad!

Week 6 Activity List: (July 24- July 28)

ART CAMP 101: GROUPS 1- 4

Let's Play:

In this workshop, kids will get to do what kids do best... PLAY! We will incorporate games, sports, relays, tumbling and pretend play! Scavenger Hunts! Dance Challenges! Silly Camp Games! We will even beat the heat with WATER PLAY on extra warm days! We will utilize our amazing outdoor space at camp and play on our fields, basketball courts and jungle gyms.

Weird Science:

Let's go on a weird science adventure with colorful explosions, magnetic mysteries, and optical illusions. We will make sure to explore bubbles and other silly tactile mediums like playdoh, slime and fake snow!

Arts & Crafts:

We will create amazing one-of-a-kind art pieces using a variety of media such as watercolors, pastels, markers, textiles, collage, and more. We will find inspiration from popular children's books, songs and movies!

Creative Movement:

Time to get moving! This movement class will incorporate a Disney theme... we will dance, tumble and play games to disney music AND do disney based art projects too! We will even do a little bit of acting (with our own puppets) and cool down yoga too!

JUNIOR CAMP: GROUPS 5-8

Critter Squad: Animal Adventure

Critter Squad Wildlife Defenders are on a mission to bring the joy of wildlife to The Art Camp with hands-on experiences! Everyday campers will meet and learn about a new live animal (everything from lizards to bunnies to pigs and more)! We will also do animal inspired crafts, activities and games. With both an indoor and outdoor classroom space, campers are sure to love everything about Critter Squad!

Craft pARTy:

This workshop is for serious craft lovers! We will use many mediums and varied materials to make dazzling projects! We will take ordinary objects like Cardboard Boxes and turn them into Crafts like... Shadow Boxes or Robots! This class will deliver art projects that you will love to show off for years to come!

Science Rocks:

In this fun filled workshop, campers will get the chance to combine Chemistry, Earth Science, Physics and more! We will also conduct cool experiments and even create explosions! We might even create our own slime recipes! It's gonna ROCK!

Junior Chefs:

In this cooking workshop, we will make delicious foods from all around the globe. We will also learn a variety of culinary techniques and get to use all kinds of top kitchen equipment! We will make breakfast, lunch, dinner and dessert items! You will learn a new recipe or two every single day!

UPPER CAMP: GROUPS 9-12

Please note- Groups 9 & 10 will do Minecraft.

*Groups 11 & 12 will do Stop Motion Animation.
All of their other activities are the same!*

Art Studio: Characters

Join this illustration workshop, and learn to draw popular cartoons and characters! Disney, Pixar and more! Fundamentals in character design, storyboarding and backgrounds will all be covered! Campers will create their own amazing illustration portfolio with all their work from class!!

Makerspace:

Ever wanted to just create and build and set your imagination free? Well, get ready to explore a world of Science, Architecture, Problem Solving, Teamwork and more! Everyday will be something NEW and exciting we'll create! With challenges like... "build a mini waterslide out of paper cups, tape and straws" or "create a catapult out of popsicle sticks" or "create a soccer field using a shoe box" you are sure to have fun and be super duper creative! We will make recycled art projects and learn how to build amazing one of a kind pieces.

Splash Zone:

Campers are sure to have a blast as they play all kinds of crazy WATER games! Get ready to dive in and compete in interactive relays, obstacle courses and challenges! This class will feature water splash pads, slip n slides, super soakers, water balloons and more! Get ready to BEAT THE HEAT!!!!

***Tech Kidz: Minecraft (GROUPS 9 & 10 only):**

Learn about (and play) the most popular computer game on the planet! We will focus on Minecraft building techniques, details of command blocks and how to change the look of the game. Campers will work on strategy, team building and cooperation skills while playing Minecraft!

***Tech Kidz: Stop Motion Clay Animation (GROUPS 11 & 12 only):**

Have a blast with Stop Motion Animation using clay, whiteboards, cutouts and more! Campers will develop stories, plots, characters and more as they bring inanimate objects to life! Each student receives a copy of the group's work at the end of the session!

UPPER CAMP: GROUPS 13-17

Mini Mania:

No one can resist a teeny, little project and this workshop is full of them! Campers will make a range of super small things ranging from gum box tic tac toe boards, mini houses & shoebox cities, to a tiny roller coaster! With a "little" bit of careful work and some creativity we can make some adorable mini projects the campers will treasure.

Critter Squad: Animal Adventure

Critter Squad Wildlife Defenders are on a mission to bring the joy of wildlife to The Art Camp with hands-on experiences! Everyday campers will meet and learn about a new live animal (everything from lizards to bunnies to pigs and more)! We will also do animal inspired crafts, activities and games. With both an indoor and outdoor classroom space, campers are sure to love everything about Critter Squad!

Studio Art:

Explore your creativity and develop mad art skills in this exciting fine art workshop! Mixing media such as drawing, painting, fibers, clay, sculpture, and printmaking you'll create original and awesome works of art!

Splash Zone:

Campers are sure to have a blast as they play all kinds of crazy WATER games! Get ready to dive in and compete in interactive relays, obstacle courses and challenges! This class will feature water splash pads, slip n slides, super soakers, water balloons and more! Get ready to BEAT THE HEAT!!!!

TEEN CAMP: GROUP 18

Edible Creations:

In this super creative arts & crafts meets cooking workshop, campers will make beautiful art projects inspired by their favorite foods! We will create crafts using materials like model magic, paint and pastels! For example: Shrinky Dink Pizza Necklace Charms! Candy Paintings! We will also use REAL FOOD to create art projects! For example: Cupcake Decorating! Ice cream in a bag!

Draw, Paint & Create

The name says it all... in this workshop we will draw, paint and create like the masters! We will use all kinds of art media like acrylics, pastels, markers, clay, beads and more. We will make fine art projects and crafty items too! It's the ultimate arts and crafts workshop!

Weird Science:

WOW! Science is so... WEIRD! Come join us for some fun with Weird Science! There will be tons of new, super cool hands-on experiments every day! Campers will learn about chemistry, engineering, physics and earth science through fun science based projects that will boggle their minds!

Splash Zone: Water World

Campers are sure to have a blast as they play all kinds of crazy WATER games! Get ready to dive in and compete in interactive relays, obstacle courses and challenges! This class will feature water splash pads, slip n slides, super soakers, water balloons and more! Get ready to BEAT THE HEAT!!!!

Week 7 Activity List: (July 31- August 4)

ART CAMP 101: GROUPS 1- 4

Disney Crafts:

Campers will create all kinds of Disney inspired projects like Mickey Ears, Frozen Playdoh and more! We will even play Disney inspired games like "Disney Bingo"! We will make sure to move and groove as we sing and dance to all of our favorite Disney songs!

Critter Squad: Party Animals!

Critter Squad Wildlife Defenders are on a mission to bring the joy of wildlife to The Art Camp with hands-on experiences! Everyday campers will meet and learn about a new live animal (everything from lizards to bunnies to pigs and more)! We will also do animal inspired crafts, activities and games. With both an indoor and outdoor classroom space, campers are sure to love everything about Critter Squad!

Dynamic Dinosaurs:

In this DYNAMIC workshop, we will explore the Dinosaur Era through project-based crafts and exciting hands-on activities. We will dig for fossils, create Dinosaur clay tracks, make Dinosaur crafts, and even go on a Dinosaur Egg scavenger hunt!

Water Games:

Campers are sure to have a blast as they play all kinds of crazy WATER games! We will enjoy our outside campus and beat the heat with water balloons, and super soakers! Get ready to dive in and compete in interactive relays, obstacle courses and challenges!

JUNIOR CAMP: GROUPS 5-8

Let's Build:

Let's create and build and set our imaginations free! Everyday we will build something new out of interesting & textured materials like wood, canvas, cardboard and more. We will also use lots of fun building toys like LEGO, Magna Tiles, Blocks and more!

Super Science:

We will combine Chemistry, Earth Science, Physics, Ocean Science and Astronomy! Campers are sure to enjoy conducting cool experiments in a super duper fun way!

2D & 3D Art::

In this workshop, students will have the opportunity to create art in a whole new way! We will explore sculpture AND painting! Using a variety of materials like wood, sculpey and model magic... we will create unique works of art that will literally pop off the walls!

Messy Fun:

This workshop will focus on homemade "messy recipes" like moon sand, ice cream in a bag, scented paint, bubbles, sidewalk chalk, flubber, slime and more! You will learn all about chemistry through this ooey and gooey sensory workshop!

UPPER CAMP: GROUPS 9-12

Arts & Crafts:

In this arts & crafts workshop, campers will be mixing media such as watercolors, pastels, acrylics, markers, and more to create amazing one-of-a-kind art pieces. We will also explore fun and creative crafts!

Cooking Camp:

Art Camp is crazy about cooking! Everyday campers will learn a new recipe, we will make awesome sweet and savory foods! We will also blend cooking with arts and crafts! Decorate aprons! Create candy crafts! Make mini foods with clay! So much fun!

Splash Zone:

Campers are sure to have a blast as they play all kinds of crazy WATER games! Get ready to dive in and compete in interactive relays, obstacle courses and challenges! This class will feature water splash pads, slip n slides, super soakers, water balloons and more! Get ready to BEAT THE HEAT!!!!

Magic: Abra-KID- Abra:

Come learn the wonders of magic as we know them today! Close up magic! Mind reading! Card Tricks! Campers will get to see incredible magic performed by our dazzling teacher Bruce... and they will learn tricks too!

UPPER CAMP: GROUPS 13-17

*Please note- Groups 13, 14 and 15 will do Art Studio for 2 of their 4 activities.
Groups 16 & 17 will do Musical Theater (Charlie & the Chocolate Factory) for 2 of their 4 activities.
All groups (13-17) will do Splash Zone & Party Animals.*

Splash Zone:

Just like the popular TV show, campers will cook variety of appetizers, entrees and dessert meals! At the end of the session, we will host a "competition round" and campers will be judged on taste, presentation and creativity! This awesome cooking class will combine culinary techniques and team building! Who will win? And, who will be chopped?

Critter Squad: Party Animals!

Critter Squad Wildlife Defenders are on a mission to bring the joy of wildlife to The Art Camp with hands-on experiences! Everyday campers will meet and learn about a new live animal (everything from lizards to bunnies to pigs and more)! We will also do animal inspired crafts, activities and games. With both an indoor and outdoor classroom space, campers are sure to love everything about Critter Squad!

*Art Studio (Groups 13, 14 & 15 only): double workshop!

In this workshop campers will create beautiful and unique arts and crafts projects! Campers will be mixing media such as pastels, acrylics, beads, watercolors, markers, and more. Because this is a double workshop, campers will have a lot of time to make amazing fine art AND classic craft pieces! We will focus on all kinds of fine art from sculpture to canvas painting as well as fun classic camp crafts like tie dye and shrinky dinks!

*Musical Theater Showcase: Charlie & The Chocolate Factory (Groups 16 & 17 only): double workshop!

Welcome to Willy Wonka's Chocolate Factory! With no speaking lines, we will focus on the best part of musicals: the songs! We will form our own "chorus ensemble" and sing and dance to songs from both movie versions, the junior Broadway show, and the Broadway live show! Campers will get the opportunity to perform for their families at the end of the week! Because this is a double workshop, campers will have extra time to rehearse for their show!

TEEN CAMP: GROUP 18

Critter Squad: Party Animals!

Critter Squad Wildlife Defenders are on a mission to bring the joy of wildlife to The Art Camp with hands-on experiences! Everyday campers will meet and learn about a new live animal (everything from lizards to bunnies to pigs and more)! We will also do animal inspired crafts, activities and games. With both an indoor and outdoor classroom space, campers are sure to love everything about Critter Squad!

Water Games:

Campers are sure to have a blast as they play all kinds of crazy WATER games! We will enjoy our outside campus and beat the heat with water balloons, and super soakers! Get ready to dive in and compete in interactive relays, obstacle courses and challenges!

Advanced Sculpture:

Sculpture uses the principles of sculpture and relief, and then allows the campers to explore molding and sculpting with various media, such as aluminum, wood, paper, sculpey, model

magic and wire. Campers will learn how to make figurines, animals, picture frames, amulets, and all kinds of miniatures.

Advanced Art:

In this workshop campers will create beautiful and unique arts and crafts projects! Campers will be mixing media such as pastels, acrylics, beads, watercolors, markers, and more. BWe will focus on all kinds of fine art from sculpture to canvas painting to direct drawing.

Week 8 Activity List: (August 7- August 11)

ART CAMP 101: GROUPS 1- 4

Let's Build:

Let's create and build and set our imaginations free! Everyday we will build something new out of interesting & textured materials like wood, canvas, cardboard and more. We will also use lots of fun building toys like LEGO, Magna Tiles, Blocks and more!

Ocean Science:

Dive under the sea with us and explore the ocean life! We will conduct interesting experiments and create under the sea inspired crafts. Jellyfish in a bottle! Sand slime! Measure the density of Salt Water!

Imagination Station

In this workshop, campers will get the opportunity to make their own unique and one of a kind creations out of our massive collection of supplies! With this "everything but the kitchen sink" crafting challenge, campers are sure to open up their imaginations and soar!

Game Zone:

Campers are sure to have a blast as they play all kinds of CRAZY camp games! With a focus on team building and cooperation, campers will create new experiences with new friends! We will make sure to play lots of water games if it's hot out!

JUNIOR CAMP: GROUPS 5-8

Delicious Bites:

Campers will cook and create delicious treats! We will make sure to inspire young chefs with awesome recipes (sweet and savory)! You will also learn culinary techniques and use restaurant quality equipment daily! Everything from pizza to smoothies!

LEGO Mania:

Campers will engineer & build with LEGOs and other building kits like Magna Tiles and K'nex! We will also do lots of Lego inspired arts and crafts projects too!

Disney Crafts:

Campers will create all kinds of Disney inspired projects like Mickey Ears, Frozen Playdoh and more! We will even play Disney inspired games like "Disney Bingo"! We will make sure to move and groove as we sing and dance to all of our favorite Disney songs!

Secret Agent Spies:

Learn to be a Secret Agent with Spy Challenges, Map Making, Various Disguises, Spy Gadgets, Secret Codes, Scavenger Hunts and more!

UPPER CAMP: GROUPS 9-12

Glitter Crafts

Get ready to SPARKLE and SHINE! In, this dazzling arts & crafts class, campers will make beautiful one of a kind pieces like treasure boxes, snow globes, room decorations, canvas paintings and more! And, the best part is... EVERY single project will include GLITTER or GEMS!!!

Summer Spa

Campers will make spa items like soaps, masks, bubble bath and more! We will pamper ourselves with facials, manicures and scrubs during camp! By the end of the week, the kids will all have an assortment of handmade bath and beauty items to give as gifts or enjoy themselves at home.

Jewelry Making

Make your own jewelry in a hands-on introduction to this exciting and creative art form. Campers will be designing and creating jewelry using various materials including wire, feathers, shrinky dinks, crystals, beads, and much more!

Studio Art:

Explore your creativity and develop mad art skills in this exciting fine art workshop! Mixing media such as drawing, painting, fibers, clay, sculpture, and printmaking you'll create original and awesome works of art!

UPPER CAMP: GROUPS 13-16

Mad Science

Come check out the wonderful world of science as you are wowed by explosions, lava lamps, growing crystals, and slime! In this workshop, you'll have the chance to be innovative, experiment and get messy, and discover why things happen the way they do. We might even conduct some crazy candy science experiments too!

Paper Crafts

In this fun filled crafting workshop, campers will make one of a kind paper crafts! They will create a collection of personalized items that they can give to friends or family members or keep for themselves like birthday or thank you cards! We will use a variety of media like watercolor paper, scrapbook paper, wash tape, gems, glitter, paint, stickers and more!

Splash Zone

Campers are sure to have a blast as they play all kinds of crazy WATER games! Get ready to dive in and compete in interactive relays, obstacle courses and challenges! This class will feature water splash pads, slip n slides, super soakers, water balloons and more! Get ready to BEAT THE HEAT!!!!

Paint Studio: Meet the Masters

This fine art class will introduce campers to famous artists from all over the world and different periods of time. Campers will then paint and create their own "masterworks" in the spirit of each master artist. We will not be "copying" masterworks but rather "borrowing" ideas from them and campers will be encouraged to expand on or develop these ideas into work that expresses their own unique creative vision.

TEEN CAMP: GROUP 18

Tik Tok Recipes:

In this fun and interactive cooking class, campers will learn some of the coolest recipes inspired by the popular app, Tik Tok! Teens will love mastering viral dishes like... Pancake Cereal, Oreo Sushi, Hot Cocoa Bombs, Butter Boards and more! We will even record and photograph our creations and post to the Art Camp Tik Tok page!

Classic Crafts:

In this "throwback" workshop, teen campers will dive into Shrinky Dinks, lanyards, slime making, friendship bracelets, perler beads, tie-dye and more! We will make all of their favorite "classic" summer camp crafts!

Candle Making:

This awesome arts and crafts class is all about candles! We will melt our own wax, cut our own wicks, add scents and create amazing one-of-a-kind candles! We will also make room decorations like hanging candles and candle holders. We will experiment with different types of wax & methods too.

Dessert Decorations:

Teen Campers will roll up their sleeves and decorate delicious desserts! Fun Fact: This workshop will be taught by Jodi, who just spent a semester at Pastry School in Paris earning from French culinary masters! Wow! Teen Campers will learn all of the secret parisian recipes and tricks! We will decorate cookies, cupcakes and tiny pastries! We will also do dessert themed art projects too!
